ROBOLTA

SMART LIVING, SIMPLIFIED

F6 MAX

BUILT FOR CONTINUOUS, HEAVY-DUTY CLEANING

Corded power for long sessions and consistent performance.

F8 ULTRA

FREEDOM TO CLEAN ANYWHERE

Cordless design with long runtime and effortless handling.

FEATURES

DEEP FABRIC & MITE REMOVAL

Powerful suction combined with ultrasonic vibration loosens embedded dust and mites, lifting them out of fabrics effectively.

UV + HEAT STERILIZATION

UV light and 60°C hot air help reduce bacteria, allergens, and mites at the source.

SMART DUST SENSING

Automatically adapts cleaning intensity based on dust concentration.

MULTI-CUP CYCLONIC SYSTEM

Separates dust efficiently to maintain suction and reduce filter clogging.

Mattresses
& Beds

Sofas &
Cushions

Curtains &
Upholstery

Carpets
& Rugs

Baby
Bedding

MULTI-CUP CYCLONIC SYSTEM

Separates dust efficiently to maintain suction and reduce filter clogging.
